Come in for a chat, or just sit in silence in a home environment with a friend who would understand your tears, insecurities and fears. SOUL is about bringing hospitality and fellowship. Prayer for a building

Please join us in praying for a building:

We seek the favour of God for a building being a place of life and praise

In the right location, and of the right size and financially sustainable.

A warm and welcoming home for a worshipping community.

A place where we can offer accessible ministries responding to local needs.
