Prayer for a Building - Update

On Sunday 6th, Paul shared with the church details of the new building that the leadership are pursuing. This has come after many years of prayer. There are still a number of important stages that have to happen before we can secure the building as our new home. Please pray that God will help us finalise contracts. If you would like to watch the video of Paul's presentation, please see James Barton who will provide you with the link.

Moving into Ministry

Our second membership module has begun on Wednesday evenings, and it will be a five week course throughout October. We will be looking at how to discover your ministry and how to put that into practice. Every Wednesday at Elim Corner @ 7:30 pm. Everyone welcome.

Arriane's Charity Walk

In October, Arriane is doing a charity walk for Cancer Research UK in memory of her aunt who passed away recently. If you would like to support her by donating, see the Elim News email for a link to her fundraising page or speak to Arriane.

Prayer for a building

Please join us in praying for a building:

We seek the favour of God for a building being a place of life and praise

In the right location, and of the right size and financially sustainable.

A warm and welcoming home for a worshipping community.

A place where we can offer accessible ministries responding to local needs.
